**Watch Your Fuel Level!**  
 Other than the single emergency gas pump at The Mercantile, in Butte Meadows, which is very expensive and very limited in supply, Chester is the only place to get gas near the Loco Relay course.  
 From Rocky Point Campground, take a right onto Hwy 89. Then take a right onto Hwy 36, into Chester. There are two gas stations towards the end of town, one on the left and one on the right. It takes approximately 20 minutes to get there from Rocky Point Campground, and another 20 minutes to get back onto the course.  
**Drivers, be sure to plan your time accordingly!**
